SPECIAL NOTICES.

CHRONIC CATARRE, DEAFNESS,

ad diseases of the Threat, Lungs and Nerv

An experience of over twenty years, aided by recent dis-coveries of the most important nature, frequently enables Dr. Lighthill to effect radical and permanent cures even in apparently hopeless cases. In proct of this assertion, Dr. Lighthill has in his possession hundreds of testimonisis of cures similar in tenor and character to the few specimes sublished below, from strominent elergymen, lawyers, edi-iors, bankers, merchants and other revidents of New York of his highest respectability.

From the Right Rev. T. F. Hendricken, Bishep of Providence, B. I.

MY DEAR DR. LIGHTHILL—Fermit me to thank you neartily for your kindless to the sisters of our couvent and no expectation when I consulted you on Sister Dona's dealures that you could so quickly restore her bac or hearing i but sho tells me that she hears now even be ine in which you practice. Very truly and sin

From Mr. S. B. Close, 100 Duane street, New York.

om Mr. R. B. Livermore, No. 183 West 47th st., New Yor

I am happy to state that Dr. Lighthill effected a radica and complete care in an aggravated case of catarrh from writich I had suffered for many years, and which had seriously impaired my hearing. Dr. Lighthill removed every verify of the caterrh and restored my hearing to all its former per fection. Being aware of the great prevalence of externed and having myself experienced its percitions effects. I tee it my duty to let others know where they can obtain skil and attention which I am confident cannot be surpassed in this department of medical science. R. B. LIVERMORE.

I cheerfally furnish my testimony of Dr. Lighthill's skill in the treatment of catarrh, since he effected a radical and permanent cure in my own case, after some of the meat celebrated physicians had signally falled. His method of treatment is so thorough and philosophical that it will common disself to every sufferer as soon as demonstrated.
